**WCA will once again be offering summer camps this year! Class sizes will be limited, so please register early.** Registrations will be taken first-come, first-served until slots are filled. You may register for as few or as many weeks as you would like. Full-time Camp hours are 7:00 am -5:30 pm, Monday-Friday with **core camp hours from 9:00 am -1:00 pm.** Core Camp hours are when all “thematic” activities will take place. **June 20 and July 4 will be observed as holidays.** The daily schedule will consist of academic instruction, hands-on craft activities related to the theme, outside play time, and quiet time. We hope to be able to offer some field trips for older students as well. **Summer Camps will run from June 6-July 29 (no camps the week of Memorial Day or the week before school starts).**

## **COST OF CAMP**

**Core Camp (9:00-1:00) is \$75 per week per child.**

**Full Time Camp (any hours outside of core hours) is \$115 per week per child. Full Time Camp includes core camp hours.**

**To register, please fill out a registration form and return to the WCA office with a non-refundable deposit of \$10 per week per child to hold your spot. The balance will be billed June 6 for June camps and July 1 for July camps. Tuition is due by the 10<sup>th</sup> of each month.**

### **Week 1, June 6-10**

#### **Recycling**

We will learn all about using old things to make something new and useful.

### **Week 2, June 13-17**

#### **Arts & Crafts**

This week will focus on making things with our hands. We will learn about colors, textures, and art mediums while we make memories.

### **Week 3, June 21-24 (June 20 is HOLIDAY) Creation Week**

This week will focus on the days of creation and learning about all the things God made. It will be an overview for the next few weeks of more detailed learning.

**Week 4, June 27-July 1                      Gardening Grubs**

This week will delve more deeply into Creation Day 3. We will plant a garden, learn about the lifecycle of plants, talk with master gardeners, learn about the importance of bees, and hopefully have some plants to take home.

**Week 5, July 5-July 8 (July 4 is HOLIDAY)      Out of this World**

We will explore all things God created on Day 4-the sun, moon, stars, and planets. We will learn about living in space, gravity, and maybe even launch a rocket or two.

**Week 6, July 11-July 15                      Animal Planet**

Kids will spend time immersed in everything animal. We will focus on Creation days 5 and 6 this week, and will include animal-related educational activities including games, crafts, guest speakers, and more!

**Week 7, July 18-22                              Reading Rainbow**

Students will focus on age-appropriate reading strategies to gain confidence in fluency and comprehension. This will be a perfect time to brush up on skills needed to start back to school!

**Week 8, July 25-29                              Wild World of Water**

Our final week of camp will focus on the substance that covers over 70% of Earth's surface-water! We will learn about the water cycle, the importance of water in everyday life, and of course, water play. Water balloons may be a staple this week 😊
